The LGA green paper for
adult social care and wellbeing

HAVE YOUR SAY

July 2018

Have your say

Your views matter. Our green paper is only a starting point and we want to build momentum for a debate across the country about how to fund the care we want to see in all our communities for adults of all ages and how our wider care and health system can be better geared towards supporting and improving people's wellbeing.

Throughout our green paper we have posed a series of consultation questions (set out below) and we would welcome your views on all those that are important to you. The consultation will run from 31 July to 26 September. Once the consultation closes we will analyse all responses and publish a response in the autumn.

To complete the consultation you can either visit **www.futureofadultsocialcare.co.uk** and complete the online survey under the section titled 'The Green Paper', alternatively you can submit your answers to the questions below to: **socialcareconversation@local.gov.uk**.

If you are responding as an individual there is also an option to answer the questions in the 'Summary Green Paper' section which are primarily focussed on gathering experience-based evidence and opinions. Again, this can be done online or via the **socialcareconversation@local.gov.uk** inbox.
